Medium Pendant

The Avon collection is simple sophistication in a natural form. The collection features twisted organic fibers stretched over sturdy steel frames. Tight in spots and wide in others, bleached raphia rope is braided and stretched on Matte Black frames. To add visual interest, our designers used textured metal bands as accents. Avon's feminine silhouettes and neutral hues are perfect for transitional to contemporary homes. This collection has multiple fixture types. This medium pendant, with its unique look, will draw attention and provide bright light when grouped over a kitchen island or hung individually over a breakfast table.
